

BLUE LOTUS FARM & RETREAT CENTER – DONATION SLIP FOR ONGOING PROGRAMS

The Rainbow Bridge Program: In mythology, rainbows provide a bridge to untold riches. At Blue Lotus no one is denied the riches of nature. The Rainbow Bridge Program provides bridge funds for organizations that cannot afford the minimal fees associated with a day at Blue Lotus.

The Zip-a-Dee-Doo-Dah Day Program: Named for the classic Disney song, which celebrates the carefree spirit of a day in the country, the Zip-a-Dee-Doo-Dah Day Program (formerly Independence Day), offers a day at Blue Lotus to individuals; parents, caregivers, families, and special needs children who may not be affiliated with a support organization.

The Wendy Program: In “Peter Pan” Wendy looked after the lost boys. The Wendy Program funds therapists, counselors, life guards, nature experts, yoga & movement instructors, musicians & art teachers, etc.; whatever personnel may be required to make a day at Blue Lotus everything that it could possibly be.

The Handy-Andy Program: Mother Nature gives her gifts freely, but sometimes Mother Nature needs a helping hand. The Handy-Andy Program funds repairs and upkeep. After all what would a day at Blue Lotus be if the drain in the pool was clogged or the pedal boats wouldn't pedal?
